Dear Sirs:

This letter, when signed by you and countersigned by Doubleday & Company, Inc., will constitute an amendment to our agreement of April 21, 1983, as amended, for the preparation of camera-ready mechanicals and film to Publisher's specifications for THE WHOLE EARTH SOFTWARE CATALOG 2.0.

Paragraph 36(d) shall be amended to read as follows:

> Publisher shall pay Thirty Thousand Dollars ($30,000.00) on receipt of this signed agreement and an amount not to exceed Thirty Thousand Dollars ($30,000.00) when Publisher has finished books in hand and upon receipt of invoices as specified below.
>
> The Author shall submit detailed invoices from all vendors involved in the production of camera-ready mechanicals and film, and the Publisher will pay the actual amount of such invoices. However, in no event will the total cost to the Publisher exceed Thirty Thousand Dollars ($30,000.00) for camera-ready mechanicals and Thirty Thousand Dollars ($30,000.00) for film minus the actual cost to the Publisher of any corrections to the film.

It is understood and agreed that film shall be delivered not later than July 15, 1985 with the exception of a sixteen (16)-page insert which is to be delivered not later than August 2, 1985.

All other terms of our agreement of April 21, 1983, as amended, shall remain the same.

Please sign all copies of this letter and return them to us for Doubleday's countersignature, after which one copy will be sent to you for your records.
